3.	The Hermann Loens Kaserne in Cottbus was about 50 percent occupied by a tank unit. From 12 to 15 T-34/35 tanks were parked in front of the garages on 15 August. A heavy AAA battery was emplaced in the training area bordering the south side of the Hermann Loens Kaserne. Three canvascovered AA guns were noticed. (2) According to the activities observed, the Dissenchen Kaserne Cottbus, was occupied to capacity on 26 August. All soldier observed, including gate guards, wore red epaulets. Three T-34/35 tanks were parked in the barracks yard. Because of the discrepancy between the service color of the troons and the presence of tanks in the billeting area, [Serman resident and learned with A Three Unit was an infantry unit probably equipped with A Three Unit was
